

AIKYA FERTILITY & RESEARCH CENTRE

Bringing Science to Life

NABH ACCREDITED CENTER OF EXCELLENCE

Empowering the Next Generation of Specialists

Aikya Fertility & Research Centre is a premier destination for advanced medical training in Reproductive Medicine and Laparoscopic Surgery. Led by **Dr. Sunil Eshwar** (Medical Director & Renowned Advanced Laparoscopic Surgeon), our programs offer unparalleled hands-on clinical exposure and academic rigor.

I. Post-Doctoral Fellowship in Reproductive Medicine (RGUHS)

The flagship program affiliated with Rajiv Gandhi University of Health Sciences (RGUHS).

Program Highlights

Why Choose Aikya for Your Training?

Mentorship

Direct training under Dr. Sunil Eshwar, a senior consultant at Aster RV and a leader in advanced laparoscopy.

Real-World Experience

Emphasis on "hands-on" training rather than just observation.

State-of-the-Art Facilities

Access to advanced IVF labs and laparoscopy suites.

Holistic Learning

Integrated exposure to the Srishti Program and various fertility-related specialties.
